  - Lifespan spaces are to the right of the entrance (see Lifespan sign >>> ).
- (Plaza building is the red circle on the map and pictured on the following page)

## PLAZA BUILDING

We are on the 6<sup>th</sup> floor of the plaza building.

If you enter the circled door, and take the stairs/ elevator to the 6<sup>th</sup> floor, you will find the reception area. A research assistant will meet you here.

There is a phone in the reception area, in case you need to call the lab (ext. 4996) or Dr. Campbell (ext. 4281).
